

# SAFER TOGETHER

2023 in Retrospect

In 2023 we transitioned from COVID-19 emergency response toward building a community-first care network.

We went out into the community and forged relationships.

50+

Outreach events from March through December

safer-together.org  
Building a community of care

We placed resources in the community's hands.

SAFER CARE DISTRIBUTED THE FOLLOWING TO OUR COMMUNITY:

273 Fentanyl Test Strips

300 iHealth COVID-19 Rapid Tests

352 Naloxone - Nasal

219 Naloxone - Intramuscular

And we built a world where all can breathe more easily.

SAFER AIR FILTERS HAVE BEEN DISTRIBUTED TO THE FOLLOWING:

141 Alice Griffith Apts

27 Mother Browns

27 Frandelja Enrichment Center

43 Westbrook Apts

30 Vulnerable Community Members

268 TOTAL

With all these milestones, we're approaching 2024 with renewed determination.

Because we know community will stand beside us.

274

Community members trained

And we will keep each other alive.

31

Overdoses reversed

As we welcome the new year, we hope you'll continue supporting our vision of a world free from racism and barriers to well being.

A world where we can all be safer, together.
